SAINT ALBAN ROE CATHOLIC SCHOOL

PHILOSOPHY

We, the parish community of Saint Alban Roe, believe that the role of our school is to assist parents, the primary educators of their children, and the Church in the spiritual, moral, intellectual, emotional, social, aesthetic, and physical development of each child.

We value the dignity of each child. As gifts of God, individual talents are to be recognized, developed fully, and shared generously in a Christian educational climate that is Spirit-filled and life giving.

Christian charity is grounded in our relationship with God, with ourselves, our families, and all whom we meet. We embrace, respect, and revere the plurality of cultures and creeds as a wonder of God. We encourage a sense of service by teaching and supporting values, which translate into successful participation in the community: building the kingdom of God.

We are aware of the profound effect the witness of the staff and the adult-believing community has on the faith life of children. As such, we strive to be a community of faith “in which the Christian message, the experience of community, worship, and social concern are integrated in the total experience of students, their parents, and members of the faculty.” (National Catechetical Directory, p. 5)

MISSION STATEMENT

The mission of Saint Alban Roe Catholic School is to serve as the center for Catholic worship and education where instruction and interaction with students is child-centered and accommodates individual differences. We are committed to providing strong academic and developmental programs, which enable children to grow to their full potential. We foster life-long learners who demonstrate Gospel values through service to others with respect and reverence to the community.

ACCREDITATION

Saint Alban Roe Catholic School is accredited by the state of Missouri through the Missouri Chapter of the National Federation of Non-public School State Accrediting Association. This accreditation ensures that the school meets the state standards for teacher qualification,

curriculum, student services and facilities. Accreditation standards are reviewed and a plan of action is submitted yearly.

ARCHDIOCESE OF ST. LOUIS
Parent Witness Statement
For Those Seeking to Enroll Their Children in a Catholic School
or a Parish School of Religion

One of the blessings of marriage is bringing forth new life. God entrusts children to parents who have a primary right and duty to educate their children in the practice of the faith. Parents carry out this responsibility by creating a home full of love, forgiveness, respect and fidelity. The family is the community in which, from childhood, one honors God and learns moral values.

In the rite of the Sacrament of Baptism, parents receive the following call from God to evangelize their children:

“You have asked to have your child baptized. In doing so you are accepting the responsibility of training her (him) in the practice of the faith. It will be your duty to bring her (him) up to keep God’s commandments as Christ taught us, by loving God and our neighbor... You will be the first teachers of your child in the ways of the faith. May you be also the best of teachers, bearing witness to the faith by what you say or do, in Christ Jesus our Lord.”

No wonder, then, that the Church understands the home to be the domestic church. It is in the intimate environment of the family that parents are, by word and example, the first heralds of the faith with respect to their children. This environment is enhanced and deepened through the parish Eucharistic community that is the heart of the spiritual life for Christian families.

Catholic schools and parish religious education programs are in partnership with the family in proclaiming and witnessing to the life and teachings of Jesus Christ. They assist parents in fulfilling their responsibility as the primary religious educators of their children. This partnership works best when parents respect the beliefs of the Church and live lives in a manner that reflect these beliefs. If parents reject the beliefs of the Church or live lives in conflict with these teachings, catechizing young people becomes very difficult.

Aware, then, of the dignity of this holy parental call, and with a reverent awe for that responsibility which is mine, I commit myself to be, in word and example, the first and best teacher of my children in the faith. Practically, this means I will:

- Understand that the authentic teachings of Jesus as taught by the Catholic Church will be part of my child’s education and formation;
- To the best of my ability respect the teachings of the Church and help my children respect the Church and its teachings;
- Regularly participate in the Sunday Eucharist with my family (if not Catholic, support my children’s participation in the Church of Baptism), include prayer in my daily life and form my children in the faith.

- Commit to speak frequently with my children about God and to include prayer in our daily home life;
- Participate in and cooperate with the School or Parish School of Religion in programs that enable me as a parent to take an active role in the religious education of my children, including sacramental preparation for Catholic children;
- Support the moral and social doctrine of the Catholic Church to ensure consistency between home and school;
- Teach my children by word and example to have a love and concern for the needs of others;
- Meet my financial responsibilities in supporting the Catholic school or the Parish School of Religion.
- Practice stewardship in support of the school and parish.

Admissions Policy

An essential criterion for admission to Saint Alban Roe School is the informed acceptance by the student and parents of the fact that the school is Catholic in philosophy and practice. All students must participate in the religious education courses offered for their grade level, participate in the worshipping community while in school, and agree to act in a manner consistent with Christian values. The Catholic Church and this Catholic school recognize parents as the primary educators of their children. The education of students at our school is a partnership between parents and the school. If, in the opinion of the administration, the partnership is irretrievably broken, the school reserves the right to require the parent to withdraw his or her child. This is a very serious decision that is not made lightly.

Saint Alban Roe Catholic School respects the dignity of all students. It does not discriminate on the basis of race, nationality, ethnic origin or sex, as required by the terms of Title IX of the Education Act of 1972, Public Law 92-318 (as amended by Public Law 93-568).

Saint Alban Roe Catholic School uses a waiting pool to fill student openings. In accordance with School Board guidelines, it is our policy to accept only registered, participating and contributing parishioners of Saint Alban Roe Parish and to limit class enrollment to 30 students (School Board Policy #9) in Grades K-8 (per homeroom). Admission to Saint Alban Roe Catholic School is based on the following considerations:

Admission priority will be as follows:

1. Currently enrolled students whose families are living the Christian Witness Covenant and have met the previous years' financial obligations;
2. Siblings of currently enrolled students dependent on available classroom space;

3. Children of registered, *contributing and participating members of Saint Alban Roe Catholic Parish based on length of time in parish;
4. If enrollment for a specific grade is not at capacity as of August 1, then the children of non-registered families in the waiting pool will be considered for admission.

*A contributing parishioner is defined as a registered family who meets their annual stewardship pledge for time, talent and treasure. Parish families are reminded that tuition payments cover only about 70% of the actual cost of education. The parish at large subsidizes the remaining amount. School families are therefore encouraged to support the parish financially as well.

In order to be eligible for Kindergarten, a child must be five years old by August 1 and have completed and successfully passed the Kindergarten Readiness Screening administered by Saint Alban Roe Catholic School. Exception to this policy is subject to the approval of Administration.

When a child is accepted into the school, the following documentation is necessary for registration to be completed:

- Birth Certificate
- Baptismal Certificate
- Immunization Records / Physical Examination Report
- Academic Information as required by the Principal and to include past report cards, progress reports, behavior reports, standardized testing results, special needs profiles and any other information that may be needed to accurately assess a student's ability to be successful in our school.
- Verification of the most current 'parenting plan' as to the rights, responsibilities, and visitation in cases in which the parents of the student are divorced are to be made available to the school office. (Only a copy of the portion of the parenting plan which verifies arrangements must be provided.)

Acceptance of students for new admission or re-admission in grades 1-8 will be judged individually and on the basis of past academic achievement, citizenship and behavior; as well as individual circumstances. Admission may be denied to individuals for any reason deemed to be inappropriate by school or parish authorities, including but not limited to the following:

1. Students with past disciplinary or academic problems;
2. Students who require special services that we are unable to provide;
3. Students whose families fail to meet financial responsibilities to the school or parish.

Acceptance of new students will not be final until all health records are received and verified. All financial obligations to prior private or parochial schools must be paid to those schools, therefore allowing school records to be received and verified. All new students will be on probation academically and behaviorally for the first quarter they are enrolled.

Our parish school is committed to providing a quality education for our children, consistent with the beliefs of the Catholic faith. We are here to provide a good, moral, Catholic education to children of parents who are truly nurturing their children in the Catholic faith. Each family is asked to sign a Christian Witness Covenant affirming that they are bringing their children up in the faith. The Christian Witness Covenant is included in the registration packet.

Registration

Returning Students

In-house registration for students presently attending Saint Alban Roe Catholic School will be held during the month of January. A registration packet will be sent home with students whose financial accounts are current. This procedure will be announced in the Parent Link and the church bulletin. A non-refundable registration fee is required at this time for each child being re-registered.

New Students

Waiting Pool Application deadlines will be announced in the parish bulletin. Parents wishing to enroll their children for the following school year must submit a waiting pool application during the month of January. These applicants will be placed in the Waiting Pool for consideration as positions become available. All applications received after January 31 will be held for one year for possible consideration as positions become available.

All parents of children not placed in the school during the school year for which they applied must resubmit an application each January for consideration in the following school year. Waiting Pool Application forms will not be held over from year to year.

(School Board Policy #04)

Immunizations

In accordance with the recommendations of the St. Louis Archdiocese Health Advisory Committee, all children are expected to have a complete physical examination upon entrance to school; Pre- K, Kindergarten, Grade 3, Grade 6, and all new students to St. Alban Roe Catholic School.

Health examinations are due to the school nurse no later than August 1. Failure to comply with this directive will result in exclusion from the first day of classes. Parents must keep the office

informed of all updated immunizations.

Finance Policy

I. General

- Tuition payments are generally targeted to cover 75-80% of the cost to educate a child at St. Alban. The remaining 20-25% of the cost is subsidized by the Parish.
- Tuition rates are reviewed and adjusted annually by the School Board and the Finance Commission. The objective is to set rates that will keep pace with operating costs while maintaining the Parish subsidy rate targeted at 20-25% of the full cost to educate.
- Tuition payments are “fee for service,” and are not tax deductible contributions.
- In addition to paying tuition, school families are expected to contribute regularly to the Sunday offertory and the capital campaign.
- At the time of packet pick up, an activity fee, which will be managed by the Parent-Teacher Organization, will be collected to cover extra activities such as parties, special events, field day, etc.,

II. Registration Fees

- Registration fees are used to cover the cost of textbooks and other expenses related to the start of a new school year. It is expected that registration fees are paid at the time of registration. If this is not possible, families should contact the principal to make special arrangements. In any event, it is expected that all registration fees be paid in full before the start of school.
- If a family falls 90 days behind on payment of registration fees, and after written notification of delinquency status, they must meet with the Pastor to set up a plan of extended payments.
- Families not current on registration fees will not be allowed to re-register for the new school year.
- Registration fees are non-refundable.

III. Tuition Payment Methods

- Annual Payment. Family pays full amount of tuition by check or credit card and receives a 3.0% discount if payment is received at the School Office on or prior to July 1. (The 3.0% discount is not available to families that receive financial assistance.) If a credit card is used, a 3% bank fee is charged to the family.
- Semi-Annual Payment. Family pays 50% of the full tuition on or prior to July 1 and 50% on or prior to December 1. Families who pay semi-annually are required to use the “FACTS Tuition Program,” which automatically withdraws from the family bank account or charges a credit card for these 2 payments. If a credit card is used, FACTS adds a 3% bank fee. FACTS also charges a \$43 annual enrollment fee per family.
- Monthly Payment. Families who pay monthly are required to use the “FACTS Tuition Program,” which automatically withdraws from the family bank account or charges a credit card each month. Families may choose ten monthly payments (July through April) or eleven monthly payments (June through April). If a credit card is used, FACTS adds a 3% bank fee. FACTS also charges a \$43 annual enrollment fee per family.

IV. Tuition Assistance

- Tuition assistance is available from the St. Louis Archdiocese and/or from the Parish to families who meet certain need based criteria. Any Parish family is entitled to apply for tuition assistance.
- The Archdiocese and the Parish require that the family completes the “FACTS Grant & Aid” application which collects data on family income, expenses, and assets. Upon submission of the application by the family, “FACTS” makes a recommendation whether assistance should be granted, and how much. (Note: “FACTS Grant & Aid” application may be completed via the internet or via paper forms. The School Office has instructions on both methods.
- When the Parish receives a recommendation from “FACTS” for a specific dollar amount of assistance, the Parish will consider and notify the family if tuition assistance can be granted, and the family is expected to pay the balance over ten or eleven months.
- If the family believes that other important circumstances exist which were not disclosed on the “FACTS” application, the family may make an appointment to meet with the Pastor to present the additional information. At his discretion, the Pastor may override the amount of assistance beyond the “FACTS” recommendation; if the Pastor decides to increase the amount of assistance, the Parish will immediately credit the additional amount to the tuition bill.
- Under normal circumstances, the deadline for submission of the “FACTS Grant & Aid” application is April 1. However, the Parish understands that a family’s circumstances may deteriorate unexpectedly during the year. Accordingly, the Parish will accept an application after April 1, although it is noted that no assistance is available from the Archdiocese if the April 1 deadline is missed.

- Any family that elects not to file an application for tuition assistance is expected to pay the full tuition charge for the year using any of the payment methods provided in section “II” of this policy.

V. Extensions of Monthly Payments

- If a family finds itself temporarily unable to make the agreed upon monthly payments, the family may meet with the Pastor to set up an extension of the payment schedule. Extending the payment schedule does not constitute granting of assistance, and the family is still expected to pay 100% of the balance due. Payment extensions will ordinarily not extend beyond twelve months after the end of the school year.

VI. Consequences of Non-Payment of Tuition

- St. Alban wishes to enable as many families as possible to enroll at the Parish School. There are certain circumstances, however, that may jeopardize continued enrollment. These circumstances include:
 - Family falls 90 days behind on monthly payments, and after written notification of delinquency status, does not attempt to meet with the Pastor to set up a plan to extend payments.
 - Family has balance due at the end of the school year, and after written notifications of such unpaid balance, does not attempt to meet with the Pastor to set up a plan to extend payments.
 - Family is asked by the Parish to complete the “FACTS” grant & aid application, but family elects not to do so.
- If any of the above circumstances exist, the Parish will interpret such as a lack of good-faith cooperation on the part of the family. At its option, the Parish may take any or all of the following actions, which are prescribed by the Archdiocese of St. Louis, “Administrative Manual for Catholic Education”.
 - Family may not be permitted to enroll children for next school year.
 - Grade reports may be withheld.
 - Certificate of graduation may be withheld.
 - Cumulative records and transcripts may not be forwarded to other schools.
 - Parent’s access to School’s automated information data base may be suspended.

VII. Withdrawal From School

- If a student is withdrawn from school during the school year for reasons other than relocation, tuition up to the date of withdrawal will be required.
- Registration fees are not refundable.

VIII. Pre-Kindergarten School (Pre-K)

- Sections “I” through “VI” of this policy statement deal with the St. Alban Parish Kindergarten through 8th grade (K-8). Pre-K is part of the St. Alban Parish entity, but operates as a separate department within the Parish. The fundamental difference between K-8 and Pre-K is that Pre-K attendance is optional, whereas K-8 attendance is legally mandated.
- The policies regarding registration fees described in Section “II” of this policy statement apply to Pre-K.
- The payment options provided in Section “III” of this policy statement apply to Pre-K, with the exception that no discount is offered if full tuition payment is made on or prior to July 1.
- Since Pre-K attendance is not legally mandated, tuition payments may qualify as “child care” for tax purposes. The Parish provides relevant tax documentation to Pre-K families as required by statute.
- Since Pre-K is not a required service, the Parish does not extend tuition assistance opportunities for Pre-K tuition. Families are required to pay 100% of current Pre-K tuition rates.
- Families who are not current with Pre-K tuition payments at the end of a semester will not be permitted to attend the following semester until payments are current.

School Board Policy #27 – Tuition and Fees (Approved May 2013)

Faith Formation

Saint Alban Roe Catholic School reflects the spirit of Catholic life and learning. Saint Alban Roe Catholic School offers students a complete program of spiritual activities, including daily religion instruction as a core subject. Catholic doctrine is presented at each grade level in a relevant and meaningful manner. Our Catholic faith is celebrated through regular prayer services, the twice-weekly celebration of the Eucharist, and Holy Day liturgies. Parents are always welcome to join the school community in prayer.

In all spiritual activities, the school recognizes that parents play the primary role in the moral and spiritual training of the child. The example of the parents is the key factor for the spiritual development of the child. It is expected that parents and children attend weekly Sunday Mass and participate in parish life.

Sacramental Preparation Program

Saint Alban Roe Catholic School provides opportunities for students to prepare for and receive the Sacraments of Holy Eucharist, Reconciliation and Confirmation within the Catholic community of prayer and worship. The Sacraments of Reconciliation and Eucharist are ordinarily received in the second grade, while Confirmation is received in eighth grade. Preparation for the celebration of these sacraments is a joint effort of parents, faith formation director and religious education staff. Periodic meetings and activities are scheduled throughout the year.

Saint Alban Roe Catholic School provides parents with a Parent Guide to the Curriculum at the start of each school year. This guide is offered to parents in order to encourage them to be knowledgeable about what their child will be learning at a particular grade level, as well as, encourage them to support this learning with additional activities and experiences at home. A copy of the full Grade K-8 Curriculum is available on the school webpage.

Field Trips

Field trips are recognized as an integral part of a sound educational program, and provide a valuable addition to the classroom curriculum. They provide students with experiences to expand their educational and cultural horizons. Participation in a school-sponsored field trip is a privilege, not a right. Parents may request that their child be allowed to participate in a

school-sponsored field trip by completing the field trip permission form. A signed and dated permission slip is required for each field trip. Verbal permission, handwritten, or email permission form by parent will not be accepted. At such times, students are under the jurisdiction of the school and responsible to the chaperones. All reasonable and prudent steps to safeguard the welfare of participating students shall be taken. Only students enrolled in Saint Alban Roe Catholic School will be allowed to participate in class field trips. (Younger or older children may not accompany adult chaperones on the class trips. Chaperones must be able to give their undivided attention to supervising class members.)

When valid school bus transportation is not available and private vehicles are used, the following criteria will be used: 1. drivers must have a valid, non-probationary driver's license and no physical disability that may impair the ability to drive safely; 2. the vehicle should have a valid registration and meet state safety requirements; 3. the vehicle must be insured for minimum limits of \$100,000 per person, \$300,000 per occurrence; 4. driver's should be experienced drivers and demonstrate the maturity necessary to provide for the safety of those they are transporting; 5. every person in the private vehicle must wear a seat belt or use an appropriate passenger restraint system; 6. adults are not permitted to smoke in the vehicle. (Archdiocesan policy 5202.9)

A 'Response Form' will be sent home for your completion when a car transportation field trip has been arranged by the classroom teacher.

Academic Evaluations

The school year is divided into two semesters; each semester into two quarters. Progress is evaluated at the end of each quarter and semester. The final report card will be mailed home within two weeks after the final day of school if all fees and tuition are paid in full.

Your student's progress can be viewed throughout the entire school year on the family Fast Direct System.

Report cards will be available at the end of each quarter. The school calendar has designated dates that parents can view the grades on the Fast Direct System. Grades are based on written tests, quizzes, and oral and written projects, class participation, and homework.

Homework Guidelines

Homework is an essential part of a good school program. This may include written assignments, study, reading, and/or work on a long-term project. Assignments are purposefully given in order to reinforce the concepts presented that day and to encourage growth in self-responsibility. Parental interest is important; however, it is paramount that this interest be in a supervisory capacity only. Kindergarten and First Grade will use a homework folder. Students in Grades 2-8 use a specific homework assignment book available at Saint Alban Roe Catholic School. At the Middle School level, homework may be assigned Monday – Friday. Quizzes are not considered tests and could be given any day of the week.

Testing

St. Alban Roe School has identified and realigned testing procedures. We have made changes in evaluation and assessment for students to better identify strengths and weaknesses and track student skills.

‘At-risk’ students are monitored more frequently to evaluate the effectiveness of instructional changes. AIMSweb is a benchmark and progress monitoring system based on direct, frequent and continuous student assessment. Students are assessed three times per year for universal

screening.

Our universal benchmarking assessment is STAR Reading & STAR Math. The STAR Assessments are comprehensive and balanced assessment solutions that allow us to identify student strengths and opportunities for growth, measure student progress, and predict performance on exams. These assessments allow us to target, remediate, and provide challenge for students. This system provides multiple measures to identify and monitor progress, helping all students achieve proficiency.

Saint Alban Roe Catholic School children participate in the Iowa Test of Basic Skills (ITBS) testing program arranged by the Archdiocese of St. Louis in the fall of each school year. This provides for achievement and performance testing for Grades 1-8. Kindergarten students do not participate in standardized testing.

Our purpose for standardized testing is to gather current and reliable information which can be used to improve student learning. The Cognitive Abilities Test (CogAt) measures a student's current level of verbal, quantitative, and non-verbal reasoning and the ability to process information. The Iowa Test of Basic Skills (ITBS) measures achievement in language arts, math, reading, science, social studies, and information resources.

Results of the tests are used not only to help obtain an overall picture of individual student achievement, but also to help the school assess curriculum and instructional needs. Individual student results are sent home with an explanation of the scoring. The school's results will be sent home for the parent evaluation each year.

Students in Grades 5 and 8 participate in the ACRE testing program. ACRE is an acronym for Assessment of Catholic Religious Education. The test assesses the knowledge of our students in the Catholic faith in the areas of Doctrine, Scripture, Tradition, Sacraments and Morality. The scores from this test provide the teachers an overall assessment of the religion program.

Retention Policy

It is highly recommended that a student in Grades 4-7 who fails one subject attend a summer program. If a student fails in two or more subjects, retention in that grade may be recommended. Each case will be examined and treated as an individual situation. If the Administration of Saint Alban Roe Catholic School should recommend retention and a parent or guardian disagrees with this decision, a written explanation of the action taken shall be filed with the school, and the child will not be permitted to re-enroll in the school.

Parents are encouraged to contact their child's teacher at the first sign of a student's difficulty in any academic subject.

Teachers will notify parents through the weekly communicator, progress reports, conferences, and report cards that an academic problem exists. Parents, teacher(s), Learning Consultant, and Resource teacher will work together in planning possible remedies to the problem.

Students will not be promoted or retained based only on parent request. Saint Alban Roe Catholic School deems this to be a socially disadvantageous situation for students.

Grade 8 Retention: An Eighth grade student who receives a failing grade in one subject is encouraged to attend summer school. An Eighth grade student who fails two or more subjects will not receive a 'certificate of completion'. The 'certificate of completion' will be given if the failed classes are made up and passed in an approved summer school program. Failure to attend summer school and pass these courses will necessitate the student repeating Eighth Grade at another school.

UNIFORM DRESS CODE

Good grooming contributes significantly to a person's physical health, to the realization of his/her dignity as a person, and to the general tone of the school. Cleanliness of person and dress is expected at all times. No student may alter in any way the established uniform of St. Alban Roe Catholic School. If there is an important reason why a child cannot be in complete uniform on a given day, the parent must write a note to the child's teacher explaining the reason.

The contract supplier of uniforms is Just Me Apparel. Just Me Apparel hosts a fitting for our students in their store each year during the month of May to measure children for the next year's uniforms. Parents are advised of this date through the Thursday's Child publication.

Discipline

Code of Conduct

Since the Catholic School is a unique educational institution, the spirit of Christ-like charity, respect for authority, and mutual cooperation are essential to the learning situation. The Catholic school, as a faith community, encourages an atmosphere conducive to learning not only academic skills, but also Catholic values.

The primary goal of Saint Alban Roe Catholic School is to provide a learning environment that fosters each student's Christian development and academic excellence. We believe it is important to work with parents and to encourage the development of responsible, respectful students. We support positive peer relationships, as well as foster a positive teacher-student relationship. We stress the care of personal belongings and our school facilities.

The immediate objective of the school discipline policy is to maintain effective learning

conditions. The ultimate objective is student growth in abilities, attitudes, and habits essential to acceptable and self-controlled behavior. In order to accomplish this, heavy emphasis will be placed on techniques designed to instill in each child a sense of individual responsibility for one's own actions.

Students are expected to abide by the Code of Conduct of Saint Alban Roe Catholic School. Should infractions occur, students will be held accountable for violations, and disciplinary measures will be taken.

St. Alban Roe Catholic School Code of Conduct Primary Level

Level One Offense

These are minor offenses that are dealt with by the teacher within the classroom. Consequences for a level one offense are detailed in the rules of each classroom.

Level Two Offense

- Foul and/or abusive, threatening language
- Destruction of school property (reimbursement is required)
- Dishonesty of a serious nature
- Bullying-Consistent intimidation documented by a staff member
- Intentional physical abuse witnessed by a staff member

Consequences for level two offenses involve a conference including the Principal, teacher, parent, and student to determine an appropriate punishment. The Principal has the final authority in determining the consequences.

Level Three Offense

- Disruptive, immoral, or indecent behavior
- Any actions dealing with drugs, alcohol, or weapons or explosives
- Any infractions deemed serious by the Principal

Consequences for level three violations involve a conference with the Principal, teacher, parents, and student, after which the student will be placed on probation with possible suspension or withdrawal for cause. The punishment will be determined by the gravity of the offense and will be the decision of the principal.

Level Four Offense

- Anything that seriously jeopardizes the safety of another or one's own safety
- Seriously impeding the learning of others
- Serious and continued insubordination

Consequences for level four violations include, but are not limited to, a conference with the Pastor, Principal, parents, and student. Punishment may include, but is not limited to, suspension or 'withdrawal for cause' by the Pastor and Principal.

Probationary Contract

Repeated acts, which indicate a pattern of non-compliance with the Code of Conduct, will require further action. One such action may be to place the student on a probationary contract for a predetermined length of time. The contract requires the student to follow the Code of Conduct scrupulously. A conference with the parent, student, Principal and teacher(s) involved will be held to ensure complete understanding of the conditions of the contract. If a serious infraction of the Code of Conduct should occur, the student will be asked to withdraw from Saint Alban Roe Catholic School.

Exclusion From School

- Suspension: The Principal is empowered to suspend a student. While suspended from school, a student is not allowed to attend class, participate in, or attend any school-sponsored activity. Any suspended student, who, without the permission of the principal returns to school grounds, may be recommended for 'withdrawal for cause'.

A written record of the reason for the suspension, together with the date and the time of the parent conference, should be kept in the student's file. The Principal may decide that an in-school suspension is appropriate. During an in-school suspension, the child will be placed in the main office and will not have contact with his/her class. The Principal shall determine the length and type of suspension.

- Withdrawal For Cause: The term "withdrawal for cause" shall mean the permanent dismissal of a student from Saint Alban Roe Catholic School.

"Withdrawal for cause" is reserved for serious or repeated violations of those articles of misbehavior stated under "Violations" which are determined by school Administration to be contrary to the best interests of the school and/or detrimental to the good name of the school. The decision for withdrawal for cause is reserved to the Principal and the Pastor.

Conflict Resolution

To address an issue or concern, a parent or student must follow the procedure stated below, keeping in mind that the issue must first be discussed with the person(s) most directly involve:

Level One:	Classroom Teacher
Level Two:	Teacher and Principal

Level Three:	Principal
Level Four:	Principal and Pastor

Lunch Time Behavior

Lunch and recess monitors consist of Administration, teachers and volunteer parents. These individuals are responsible for the supervision of the students during lunch and at recess. Students are to show all those in authority the same respect that they have for their classroom teachers and each other. The attitude and actions of the students while on the playground should reflect the quality Christian education that they receive both at school and at home. Courtesy and concern for others should be the rule, not the exception.

It is vital that the students have a safe lunch/recess period, so the following rules have been established to ensure the safety of the students. This list includes, but is not limited to the following:

- Students shall be seated in an assigned seat or table during lunch.
- Reasonable talking is permitted.
- Proper table manners are required and must be maintained.
- All students are responsible to clean up after themselves.
- During outdoor recess, students may play in the areas designated by the supervisor.
- Dangerous and rough activities, such as tackle football, piggy-back riding, and wrestling are not permitted.
- Absolutely no abusive behavior (fighting, kicking, pushing, etc.) will be tolerated. Disputes may be settled with the lunch monitors. There are many options open to students in settling arguments, but fighting is not one of them. Students may be suspended for fighting in class or on the playground. No distinction is made as to "real" or "play" fighting.
- Students may not leave the assigned recess area without permission.
- Students who are injured while playing should report to one of the lunch monitors. They will provide treatment for minor wounds and will send the student to the office for treatment, if necessary. As usual, parents will be notified of any injury that may need further attention.
- Food or beverages are not permitted to be taken outdoors at lunch recess unless permission is given.

In general, it is expected that the behavior and language of each child would reflect the Catholic teachings that parents and teachers try to instill in all of the Saint Alban Roe Catholic School children.

St. Alban Roe Catholic School Code of Conduct Intermediate Level

Since the Catholic school is a unique educational institution, the spirit of Christ-like charity, respect for authority, and mutual cooperation are essential to the learning situation. Infractions leading to detention, automatic detention, in-school suspension, probation, and withdrawal for cause will be handled in the following manner:

Infractions

Intermediate students may receive an infraction in two separate categories: Missing Assignments or Behavior/Conduct. These two categories will be treated separately as follows:

Missing Assignment Infractions: Students are expected to complete assigned work and hand it in to the teacher on the date it is due. Failure to do this will result in a Missing Assignment Infraction.

Fifth Grade - Four Missing Assignment Infractions will result in a detention.

Fourth Grade – Five Missing Assignment Infractions will result in a detention.

Third Grade – Six Missing Assignment Infractions will result in a detention.

- If a student is not prepared for class by failing to complete homework, projects or in-class assignments due, or fails to bring the assignment to class, s/he will receive a Missing Assignment Infraction Notice that will need to be signed and returned the following day with the missing work. (First Infraction) In addition, five percent will be deducted from the total score.
- If both the signed missing assignment infraction notice and the missing work are not brought back to the teacher that very next day, a second Missing Assignment Infraction Notice will be given. (Second Infraction) An additional five percent will be deducted from the total score.
- Each day the student does not present the homework and the signed missing assignment infraction notice to the teacher the student will receive a Missing Assignment Infraction Notice. The following information should be noted with regard to missing assignment infractions: The third day the assignment had not been turned in; an automatic 69% will be given for the assignment.
- Missing Assignment Infraction Notices serve as written notification to the parents of the missing work and consequence.
- Missing Assignment Infraction Notices received by a student equate to marks for personal growth and/or work habits on the report card.
- Missing Assignment Infraction Notices are cumulative until serving a detention.
- Receiving Four (5th grade), Five (4th grade), Six (3rd grade) Missing Assignment Infractions will result in a Detention.

 - Receiving four (Fifth Grade), five (Fourth Grade), and six (Third Grade) Behavior/Conduct infraction notices will result in a detention.

- Some examples may include, but are not limited to:
 - Fighting
 - Lying
 - Cheating
 - Forgery
 - Stealing
 - Disrespect of authority
 - Inappropriate language, gestures, or written language
 - Abuse of school property or the property of others
 - Misuse of technology
 - Cell phone/electronic disruptions

- Detentions served in any quarter will equate to marks for personal growth and/or work habits on the report card.
- Failure to return the signed detention notice the next day will result in the student receiving a Behavior/Conduct Infraction Notice.

- Detentions will be served once a week on Thursdays from 3:05-3:50 p.m. and will be supervised by a faculty member. Parents will be given a twenty-four hour minimum notice for detentions. Again, detentions will be given at the discretion of the teacher.
- Upon receiving a second detention during the semester, the homeroom teacher will call the parents and schedule a meeting. Two detentions will also result in loss of privileges for the student. Examples of privileges are: Participation in field trips, casual days, the Lock-in, Catholic School Week activities, etc.
- If a student receives three detentions during the semester, a meeting between the parents, student, teachers and principal will be required. The student may receive an in-school suspension as a result. The final decision on in-school suspension and its length lies with the principal.

Suspension

In addition to the possibility of receiving an in-school suspension for three detentions in a year, a student may receive an out of school suspension as a result of serious offenses at the discretion of the administration. The Principal will determine the length of the in-school or out of school suspension.

When a student is given an In-School Suspension:

- The student is removed from all classes to a designated area of the school for duration of time determined by the principal.
- The student is held responsible for obtaining and completing all school work assigned during the suspension, as well as, all classroom/homework assignments given during the period of suspension. The student is responsible for taking all tests that were missed the day s/he returns to class.

When a student is given an Out of School Suspension:

- The student is removed from school and remains at home for duration of time determined by the principal.
- The student is held responsible for obtaining and completing all school work assigned during the suspension, as well as, all classroom/homework assignments given during the period of suspension. The student is responsible for taking all tests that were missed the day s/he returns to class.
- The principal may require a student to receive professional counseling prior to returning to the school environment.

Examples of Behavior/Conduct that may result in immediate out of school suspension or Withdrawal for Cause include but are not limited to:

- Harassment, bullying
- The possession, sale, or use of illegal drugs, alcohol, weapons, ammunition, or tobacco products

Harassment: Saint Alban Roe Catholic School shall maintain a learning environment that is free from harassment. No student in the school shall be subjected to any form of harassment. Students will need to notify the proper school authority (verbal or written) when a harassment issue occurs and the school will address the situation using appropriate disciplinary consequences, counseling methods, and parental/guardian contact and involvement in accordance with the nature and frequency of the offense.

Harassment is defined as any unwanted and unwelcome behavior that interferes with a student's performance or creates an intimidating, hostile, or offensive learning environment. Harassment includes physical, visual, verbal, and sexual forms of behavior. Students engaging in harassment or bullying may be subject to the following:

- A meeting of the parents, student, teachers and principal
- An in-school suspension (This decision lies with the principal.)
- Withdrawal for Cause

If the harassment or bullying continues after the above consequences, the parents will be asked to withdraw their child from Saint Alban Roe School.

The possession, sale, or use of illegal drugs, alcohol, weapons, ammunition, or tobacco products: Saint Alban Roe Catholic School will provide a safe learning environment for all members of the school community. The possession, sale, or use of illegal drugs, alcohol, weapons, ammunition, or tobacco products is a violation of civil law and, therefore, is considered a serious violation of school policy. Students engaging in any of these activities on school grounds, at school functions, on the way to or from school functions, or any mention of violence to the school community or property that is reported to the school will be subject to immediate suspension or withdrawal for cause. Students involved in these activities may be subject to the following:

- A meeting of the parents, student, teachers and principal
- An immediate out of school suspension
- Withdrawal for Cause

Probation

Probation is a final consideration if all other means have failed to correct a problem. The purpose is to afford the child an opportunity to improve the behavior in question. The Principal will determine the length and conditions of the probationary period and will communicate this information to the parents, student and teachers in a meeting. The student's behavior during the

probationary period will have a direct bearing on continued attendance at Saint Alban Roe Catholic School.

Withdraw For Cause

Withdrawal for Cause is the most serious means of addressing a discipline problem. If a child's behavior presents a serious threat to the physical, spiritual, or moral wellbeing of any member of the school community, the parents of a student will be asked to withdraw their child from Saint Alban Roe Catholic School by the principal. In addition, if a child's behavior choices do not change as a result of infraction notices, detentions, in-school suspension and probation, the parents will be asked to withdraw their child from the school.

The teachers and staff recognize that the majority of students at Saint Alban Roe School take pride in themselves and their school and willingly conform to school rules. Through this discipline policy, it is our intent to provide a safe learning environment for all children at Saint Alban Roe Catholic School.

Lunch Time Behavior

Lunch and recess monitors consist of Administration, teachers and volunteer parents. These individuals are responsible for the supervision of the students during lunch and at recess. Students are to show all those in authority the same respect that they have for their classroom teachers and each other. The attitude and actions of the students while on the playground should reflect the quality Christian education that they receive both at school and at home. No distinction is made as to "real" or "play" fighting.
- Students may not leave the assigned recess area without permission.
- Students who are injured while playing should report to one of the lunch monitors. They will provide treatment for minor wounds and will send the student to the office for

treatment, if necessary. As usual, parents will be notified of any injury that may need further attention.

- Food or beverages are not permitted to be taken outdoors at lunch recess unless permission is given.

In general, it is expected that the behavior and language of each child would reflect the Catholic teachings that parents and teachers try to instill in all of the Saint Alban Roe Catholic School children.

Since the Catholic school is a unique educational institution, the spirit of Christ-like charity, respect for authority, and mutual cooperation are essential to the learning situation. Effective discipline requires the cooperation and active participation of all students, parents, and faculty. Teachers and staff members recognize the importance of effective discipline by enforcing rules through consequences.

Infractions leading to detention, automatic detention, in-school suspension, probation, and withdrawal for cause will be handled in the following manner:

Infractions

Middle School students may receive an infraction in two separate categories: Missing Assignments or Behavior/Conduct. These two categories will be treated separately as follows:

Missing Assignment Infractions: Students are expected to complete assigned work and hand it in to the teacher during that class on the date it is due. Failure to do this will result in a Missing Assignment Infraction and a five percent grade reduction will be taken from the final grade for the late assignment.

- If a student is not prepared for class by failing to complete homework, projects or in-class assignments due, or fails to bring the assignment to class, s/he will receive a Missing Assignment Infraction Notice that will need to be signed and returned the following day with the missing work. (First Infraction)
- If both of the signed missing assignment infraction notice and the missing work are not brought back to the teacher that very next day, a second Missing Assignment Infraction Notice will be given. (Second Infraction) and the grade will result in an automatic deduction of ten percent.
- If the student still does not present the homework and the signed missing assignment infraction notice to the teacher the second day after it was due, the student will receive a third infraction for same assignment and will automatically receive a failing grade of a 69%.
- Missing Assignment Infraction Notices serve as written notification to the parents of the missing work and consequence.
- Only detentions (4 missing assignment/4 behavior infractions) will be reflected as a mark for personal growth or behavior on the progress report or report card.
- All infractions are cumulative for the first semester. At the start of the second semester all infractions will be erased and the student starts the second semester with a clean slate.
- The consequence for a child coming to class unprepared is a “Missing Assignment Infraction”.
- Detentions for missing assignments may be given for the following reasons:
 - Accumulating four missing assignment infraction notices from various subject areas. (This would mean that if a student did not do his/her homework in four subjects on a given night, he/she would receive a detention.)
 - Accumulating four missing assignment infractions from the same teacher on different assignments over a period of time.

Behavior/Conduct Infractions: Students in the Middle School are expected to abide by and cooperate with school rules and regulations. Failure to do so will result in behavior/conduct infractions leading to a detention. Four Behavior/Conduct Infractions equal a Behavior/Conduct Detention.

- Examples of Behavior/Conduct infractions include, but are not limited to:
 - Classroom disruptions
 - Inappropriate hallway or cafeteria behavior
 - Unexcused tardiness to class
 - Gum / candy eaten in class
 - Uniform violations
 - Nail polish, makeup
 - Bringing to school any of the items listed in the Family Handbook as “not permitted”
- These examples will be posted and discussed in all classrooms at the beginning of the school year.

- Behavior/Conduct infractions notices serve as written notification to the parents of a student’s behavior and are given at the teacher’s discretion.
- Receiving four Behavior/Conduct infraction notices will result in a detention.

 - Disrespect of authority
 - Inappropriate language, gestures, or written language
 - Abuse of school property or the property of others
 - Misuse of technology
 - Electronic disruptions or usage
 - Leaving the building without permission

- Detentions served in any quarter will equate to marks for personal growth and/or work habits on the report card.
- Failure to return the signed detention notice the next day will result in the student receiving a Behavior/Conduct Infraction Notice.
- Detentions will be served once a week on Thursdays from 3:05-3:50 p.m. and will be supervised by a faculty member. Parents will be given a twenty-four hour minimum notice for detentions. Again, detentions will be given at the discretion of the teacher.

Suspension

In addition to the possibility of receiving an in-school suspension for three detentions in a year, a student may receive an out of school suspension as a result of serious offenses at the discretion of the administration. The Principal will determine the length of the in-school or out of school suspension.

When a student is given an In-School Suspension:

- The student is removed from all classes to a designated area of the school for duration of time determined by the principal.
- The student is held responsible for obtaining and completing all school work assigned during the suspension, as well as, all classroom/homework assignments given during the period of suspension. The student is responsible for taking all tests that were missed the day s/he returns to class.

When a student is given an Out of School Suspension:

- The student is removed from school and remains at home for duration of time determined by the principal.
- The student is held responsible for obtaining and completing all school work assigned

during the suspension, as well as, all classroom/homework assignments given during the period of suspension. The student is responsible for taking all tests that were missed the day s/he returns to class.

- The principal may require a student to receive professional counseling prior to returning to the school environment.

Examples of Behavior/Conduct that may result in immediate out of school suspension or Withdrawal for Cause include but are not limited to:

- Harassment, bullying
- The possession, sale, or use of illegal drugs, alcohol, weapons, ammunition, or tobacco products

Harassment: Saint Alban Roe Catholic School shall maintain a learning environment that is free from harassment. No student in the school shall be subjected to any form of harassment. Students will need to notify the proper school authority (verbal or written) when a harassment issue occurs and the school will address the situation using appropriate disciplinary consequences, counseling methods, and parental/guardian contact and involvement in accordance with the nature and frequency of the offense.

Harassment is defined as any unwanted and unwelcome behavior that interferes with a student's performance or creates an intimidating, hostile, or offensive learning environment. Harassment includes physical, visual, verbal, and sexual forms of behavior. Students engaging in harassment or bullying may be subject to the following:

- A meeting of the parents, student, teachers and principal
- An in-school suspension (This decision lies with the principal.)
- Withdrawal for Cause

If the harassment or bullying continues after the above consequences, the parents will be asked to withdraw their child from Saint Alban Roe School.

The possession, sale, or use of illegal drugs, alcohol, weapons, ammunition, or tobacco products: Saint Alban Roe Catholic School will provide a safe learning environment for all members of the school community. The possession, sale, or use of illegal drugs, alcohol, weapons, ammunition, or tobacco products is a violation of civil law and, therefore, is considered a serious violation of school policy. Students engaging in any of these activities on school grounds, at school functions, on the way to or from school functions, or any mention of violence to the school community or property that is reported to the school will be subject to immediate suspension or withdrawal for cause. Students involved in these activities may be subject to the following:

- A meeting of the parents, student, teachers and principal
- An immediate out of school suspension
- Withdrawal for Cause

School Search

School Officials May Search a Student's Locker, Desk, etc. since they are school property. Furthermore, the school reserves the right to search any item brought onto school property such as a student's jacket, purse, backpack, or the like. The school may choose to use specially trained dogs to insure they are free of contraband. The individuals and dogs used for such searches will be appropriately trained and certified, and evidence of such training will be obtained prior to engaging in their services. Lockers, other school property or any item brought onto school property identified as containing contraband may be opened in the process of the search. The school may use this method of search and may employ it without prior notice to parents and students. (Archdiocesan Policy 4303.5)

Probation

Probation is a final consideration if all other means have failed to correct a problem. The purpose is to afford the child an opportunity to improve the behavior in question. The Principal will determine the length and conditions of the probationary period and will communicate this information to the parents, student and teachers in a meeting. The student's behavior during the probationary period will have a direct bearing on continued attendance at Saint Alban Roe Catholic School.

Withdraw For Cause

Withdrawal for Cause is the most serious means of addressing a discipline problem. If a child's behavior presents a serious threat to the physical, spiritual, or moral wellbeing of any member of the school community, the parents of a student will be asked to withdraw their child from Saint Alban Roe Catholic School by the principal. In addition, if a child's behavior choices do not change as a result of infraction notices, detentions, in-school suspension and probation, the parents will be asked to withdraw their child from the school.

The teachers and staff recognize that the majority of students at Saint Alban Roe School take pride in themselves and their school and willingly conform to school rules. Through this discipline policy, it is our intent to provide a safe learning environment for all children at Saint Alban Roe Catholic School.

Lunch Time Behavior

Lunch and recess monitors consist of Administration, teachers and volunteer parents. These individuals are responsible for the supervision of the students during lunch and at recess. Students are to show all those in authority the same respect that they have for their classroom teachers and each other. The attitude and actions of the students while on the playground should reflect the quality Christian education that they receive both at school and at home. Courtesy and concern for others should be the rule, not the exception.

It is vital that the students have a safe lunch/recess period, so the following rules have been established to ensure the safety of the students. This list includes, but is not limited to the following:

- Students shall be seated in an assigned seat or table during lunch.
- Reasonable talking is permitted.
- Proper table manners are required and must be maintained.
- All students are responsible to clean up after themselves.
- During outdoor recess, students may play in the areas designated by the supervisor.
- Dangerous and rough activities, such as tackle football, piggy-back riding, and wrestling are not permitted.
- Absolutely no abusive behavior (fighting, kicking, pushing, etc.) will be tolerated. Disputes may be settled with the lunch monitors. There are many options open to students in settling arguments, but fighting is not one of them. Students may be suspended for fighting in class or on the playground. No distinction is made as to "real" or "play" fighting.
- Students may not leave the assigned recess area without permission.
- Students who are injured while playing should report to one of the lunch monitors. They will provide treatment for minor wounds and will send the student to the office for treatment, if necessary. As usual, parents will be notified of any injury that may need further attention.
- Food or beverages are not permitted to be taken outdoors at lunch recess unless permission is given.

In general, it is expected that the behavior and language of each child would reflect the Catholic teachings that parents and teachers try to instill in all of the Saint Alban Roe Catholic School children.

The school participates in all health programs provided by the Saint Louis County Health Department for schools. Saint Alban Roe Catholic School utilizes the services of the Saint Louis County for record verification, and special needs. - Safety patrol and staff members will be monitoring the arrival of students to ensure their safety.
- Parents should remain in their cars and allow the Safety Patrol and adult supervision to open the car doors and assist the children out.
- Parents who have business in the school are asked to drop their children off first and then proceed to the parking lot, park, and then cross at the crosswalk into school without the children.
- Once inside the building, children will proceed to their classroom.
- Students and Faculty will join in Morning Prayer beginning at 7:45 a.m.
- Students who arrive later than 7:45 a.m. (after the Morning Prayer has begun) are considered tardy.

Dismissal: Grades Pre-K (4 year old) through Grade 8 dismissal is at 2:55 p.m. Parents should arrive and park in their assigned spot no later than 2:50 p.m. (11:45 a.m. on early dismissal days).

NO PARKING FOR PICKUP WILL BE ALLOWED BEHIND THE PRIEST RECTORY.

- Parents will receive an assigned numbered parking spot in the Back to School Packet distributed in August. Please discuss with your children the number your family is assigned.
- Parents are asked to back into the parking space.
- Teachers will walk their classes outside and assist them in recognizing that their ride is here. Children then walk to their cars.
- Once all children are safely in their cars a hand bell will ring as a signal for the cars to begin to exit the parking lot. Rows will be dismissed one at a time giving preference to a different row each day. Parents are urged to obey the adults who will be giving directions for this dismissal.
- This procedure does not change when the weather is inclement. Parents are asked to be sure your child is prepared for cold or rainy weather.
- The parking lot will be closed at 2:50 p.m. to ensure the safety of children and avoid any accidents due to moving cars at dismissal. Cars arriving after the lot is closed must proceed to late lot and park in the designated area. Once that has been accomplished, children who are waiting with their teachers may move toward a parent's parked car. Any child not picked up by the time all cars have been dismissed will be taken to the waiting area outside the main office. Parents who are habitually late in picking their children up will be asked to enroll them in Elegant Alban.
- If someone other than yourself is picking up your children or your carpool and they ARE on your emergency form, they may park in your assigned section and pick up as normal. If they are NOT on your emergency form, you must send a note or call the office telling us the name of the person picking up your children or carpool. This information will be related to the teacher.
- No one will be permitted into the school building during the dismissal process. Please plan ahead if you need to pick your child up early. Children who are signed out early from school for dentist, doctor, or other necessary appointments must do so prior to 2:30 p.m.
- Students enrolled in the Elegant Alban After-School Program will be dropped off by their teachers in the cafeteria at dismissal. At that time the supervision of the students transfers to the Elegant Alban personnel.
- Students that leave school after 1:00 p.m. but before dismissal at 2:55 p.m. will be marked as 'tardy'.

Attendance

Punctual and regular attendance is important for consistent academic progress. A report card may include an “I” for incomplete for a student who has been absent for twelve or more days in any one quarter should teachers feel there is insufficient material on which to evaluate achievement. Absenteeism in excess of 20 of the school year's 174 days may jeopardize student promotion.

All absences should be reported to the school office by 8:30 a.m. either by telephone at (636) 458-6084 ext. 290 or by email (mpearce@stalbanroe.org). If the school does not receive a phone call from you reporting the absence, personnel will call you. When a child returns to school after an illness or absence, a dated note of explanation must also be presented to the student's homeroom teacher on the day of return.

A student arriving after 10:00 a.m. is marked one-half day absent.

A student leaving before 1:00 p.m. is marked one-half day absent.

A student who is absent for two hours or less in either the morning or afternoon is marked tardy on their attendance record.

Parents are asked to avoid scheduling family vacations during the school week. If a child must miss an extended period of time because of family travel or other needs, the Principal and teacher are to be notified in writing in advance. As with any absence from school, the student is responsible for making up tests and other assignments missed as specified by each individual teacher. **NO WORK WILL BE GIVEN AHEAD OF TIME FOR A STUDENT WHO MISSES SCHOOL DUE TO A VACATION.**

Students are discouraged from missing school because of family and/or sports commitments. While written work can be made up, the actual instructional time and class work cannot, leaving the student at a disadvantage.

Birthday Celebrations

Birthday treats are not to be brought to school. This includes any food or any small gifts.

All students receive a Birthday Certificate the week prior to their birthday allowing them to dress “Out of Uniform” on a day they choose. We also announce their birthday to the school during the Morning Announcements, and teachers recognize birthday students in their classroom in various ways. Due to the growing number of students with allergies, it is increasingly difficult to manage the inspection of food items being brought in and we want to keep all students safe.

No other form of a birthday celebration is permitted at school. If a child is having a home birthday party, and every student in the class is invited, the invitations may be distributed in school. If every child in the class is not invited, then the invitations are to be sent through the U.S. mail.

No deliveries to school (flowers, candy, cakes, etc.) will be accepted on the behalf of a student.

Books

Saint Alban Roe Catholic School purchases both hard back textbooks and consumable materials for use by all students. Students use these books throughout the school year. As the books are owned by Saint Alban Roe Catholic School, students are expected to treat the books with care. A fine will be assessed for any damaged book(s). Book covers are to be removable (no contact paper) and kept on books to preserve them. Students use the books for one year and return them to the school in May. For curriculum purposes, textbooks are reviewed on a seven-year cycle.

Book Fair

Each year the school sponsors a Book Fair for the convenience of the school community to purchase reading material. This Book Fair is normally held in the fall of each school year. Your support is greatly appreciated.

Child Safety

All volunteers who work with the children of Saint Alban Roe School must first do the following in order to assist:

- Read and Sign the Code of Ethics Document
- Attend and submit verification of attendance to a Protecting God's Children Workshop
- Complete a Background Check that will be submitted to the State of Missouri

Failure to complete any of these three items will preclude a parent from a volunteer capacity at school.

You may obtain this information from the school office. If you have any questions, please contact the Safe Environment Director in the parish office – ext. 246.

Calendar

Saint Alban Roe Catholic School follows the calendar guidelines outlined by the Archdiocese of St. Louis. These guidelines stipulate a calendar that represents a minimum of 174 instructional days and 1,044 instructional hours. Each spring, the Principal in consultation with the faculty, prepares the calendar for the next school year and presents it to the School Board for approval. Monthly calendars will be available on the Gradelink site. The weekly Thursday's Child information is the latest information that may contain calendar changes and supersedes any other calendar in print.

Gum

Gum is never allowed in the building or the school grounds during school hours.

Christian Witness Covenant

The Church, through the ages, has consistently called its parents to understand and appreciate their special dignity as God's instruments of His love to their children. In recent years the Church, in its official teachings, has given even greater prominence to the importance of this truth. The Second Vatican Council in its document, *Decree on the Apostolic of the Laity*, stresses the importance of the parents providing the first experience of faith to their children.

At registration time and at the beginning of each school year, parents are asked to renew their commitment to this vocation by reading and signing the parish *Christian Witness Covenant*. This statement clarifies the role of the parents as the primary educators of the faith for their children.

Classrooms

Homeroms are considered the "home" of the students at school. All are expected to share the responsibility of keeping the room orderly, clean, and attractive. Great care is requested of all students in keeping the desks neat and avoiding anything that would damage the furniture or equipment of the classroom. Teachers are expected to have high standards in this regard.

The desks, books, and materials are assigned to students for their use. No student has the right to freely use another person's assigned materials without permission. Students will be held responsible for any damage done to books, desks, and all other school equipment entrusted to them. Textbooks are to be covered at all times.

Class Lists

Class lists for the upcoming school year is populated by the homeroom teacher and the partner grade teacher. Their job is to discuss each student's best opportunity for academic and social success. In order to do that, they follow a list of eleven (11) considerations for determining proper placement. After the lists are generated, they are reviewed by the resource teacher, learning consultant, and principal.

Please do not call with a request to change a class placement. All aspects of grouping are taken into consideration in order for the homerooms to be heterogeneously grouped. The reason for this is to foster better growth and exposure to all kinds of learning styles, needs, and experiences.

Our goal is that teachers and students will be able to work in a well-organized, student-centered environment, where each child's individual learning needs are being met to the fullest extent. Any change would change the dynamics of the classroom. We always look to a successful year for everyone.

Communication

- **Beginning of the School Year:** On a pre-announced day in August of each year, the Parent Packet will be available for our parents. This packet will have pertinent information as it relates to the start of the school year.
- **Thursday's Child:** Each week on Thursday, information from the School Administration is published regarding current activities and events for the coming week. The publication is called *Thursday's Child* and it is emailed to parents who subscribe to it.
- **Friday Folder:** On Fridays or on the last day of the teaching week, information will be sent home for parents. This information could include a communication from the teacher, your child's work from that week, requests, reminders, and parish information you need. Often some response may be required from parents. Please check your child's backpack each Friday.

All contacts with teachers should be made by email or by calling the school office, as teachers are required to supervise their classes at all times. Teachers are not permitted to conference with parents before school unless an appointment has been made with the parent. Once each month on a Friday, children will be dismissed at 12:00 p.m. due to the Faculty Meeting. Early dismissals are at 12:00 p.m. unless otherwise stated. The specific dates for the faculty meetings will be noted in the “Year at a Glance” calendar distributed in August.

Early Dismissal of Individual Students

Parents are urged to make children's doctor and dentist appointments outside school hours and on school holidays. If it is necessary for any student to be dismissed earlier than the regular

dismissal time for an appointment, etc., a note of explanation/permission must be cleared through the school office before 9:00 a.m. Parents/guardians must sign out the student in the school office. Students will be marked on their attendance cards accordingly. It is important for the students to attend an entire day of school. Students often are judged by the high school of their choice by the number of absences and tardies throughout the year. A student who is absent for two hours or less in either the morning or afternoon is marked tardy on their attendance record.

Emergency Drills

To ensure the orderly evacuation of occupants from the classrooms or the school building in time of emergency, emergency drills are conducted on a regular basis. These drills are not announced. Specific directions are given at the beginning of the school year and are posted in appropriate places. Silence is to be observed throughout these drills - in the classroom, halls, and on school grounds. Emergency drills are scheduled throughout the year and reported to the Archdiocese of St. Louis. Physical or Virtual drills are practiced by the following schedule: Fire, monthly; Tornado, 2/yr; Earthquake, 2/year; Lockdown, 2/year; Shelter in Place, 2/yr; Reverse evacuation, 2/year.

Guests/Visitors

All visitors and parents to the school are asked to request entrance to the school using the door bell/monitor system located at the main entrance of the school. Once a visitor is buzzed into the school, they must sign in at the main office and receive a visitor pass that is to be worn the entire duration they are in the school. Students and faculty have been instructed to inform the office if they observe anyone in the building who does not have a visitor pass. Visitors are also required to sign out and return the pass to the office when they leave. Normally, visitors/parents may not visit teachers or students during school hours unless previously approved by the Principal. Appointments/requests will be taken in the office and relayed to the teachers involved. Meetings with teachers must be scheduled in advance.

Prayer And Pledge Of Allegiance

Prayer, both formal and informal, is an integral part of the school day. Students and teachers start the day with prayer led by the Student Council, begin classes with a prayer, and pray together at other appropriate times. Individual, private prayer is also encouraged throughout the day. Classes may spend time in Eucharistic Adoration in the Perpetual Adoration Chapel.

Students are to participate in Prayer and Pledge of Allegiance during the morning announcements.

The Morning Announcements are conducted over the public address system by the Student Council officers. Persons who are in the hall are to stand still and participate in the activity. It is the adult's responsibility to set the proper example in this behavior.

Resource Program

The Resource Program at St. Alban Roe School is dedicated to helping all students achieve success in the regular education classroom. The Resource Program will strive to support a

learning environment which recognizes, encourages and supports the unique and diverse God given gifts of each student.

Students will be eligible for services after the classroom teacher has completed Tiers I and II of the Response to Intervention Plan, and the student has not shown significant growth. In Tier I the student will have universal interventions in the classroom. Tier II takes place in the classroom as well, with the teacher and assistant. Individualized interventions will be used and progress monitored. If adequate progress is not being made, students will be moved into Tier III which is direct instruction in the Resource Program.

The resource teacher, a special educator, will support the skills being taught in the classroom with supplemental materials and strategies. The primary focus of the program is closing the gaps in learning for students and to keep the gaps at a minimum for at-risk students.

The length of service will depend on the progress of each individual student. Once a student has consistently met benchmark and they are maintaining in the classroom they will be released from resource.

Resource services can be received as direct instruction in the resource room or in the regular classroom during the school day. Most often the students will have small group or individual instruction in the resource room. Depending on the number of students and the lesson being taught, the resource teacher may go into the classroom to support the students.

Safety Patrol

Members of the Safety Patrol must be mature, responsible students. Students who demonstrate the qualities necessary to ensure the safety of the school children may apply to the School Safety Patrol Moderator. Members will be inducted into the Safety Patrol at the induction ceremony at a school Mass at the beginning of the school year.

In case of hazardous weather conditions, Saint Alban Roe Catholic School will make decisions concerning cancellation of school independent of other schools. For bad weather closings and emergency closings, an announcement will be made on the TV stations: KSDK, KMOV, and FOX 2. Parents will also receive a call from the 'School Reach' phone system. Saint Alban Roe Catholic School does not normally dismiss students for inclement weather once they are in school. Parents may always come to pick their children up if the weather is in question.

This is accomplished, in part, by fostering a climate based on Gospel values that emphasize the dignity of and respect for all persons. Words, actions, or depictions which violate the privacy, safety, or good name of others are inconsistent with that goal. Whether occurring within or outside of school, when students jeopardize the safe environment or act contrary to those Gospel values, they can be subject to disciplinary action by the school.

This policy applies to communications or depictions through e-mail, text messages, or website postings, whether they occur through the school's equipment or connectivity resources or through private communications, which: (1) are of a sexual nature; (2) threaten, libel, slander, malign, disparage, harass or embarrass members of the school community or (3) in the principal's discretion, cause harm to the school, or the school community (collectively referred to as "Inappropriate Electronic Conduct"). Saint Alban Roe Catholic School is open to and respects the complaints brought under this policy.

Respect for the dignity and worth of each individual is a basic tenet of Saint Alban Roe Catholic School. Each individual faculty, staff member, student, or others who are in a working relationship with the school, are entitled to work/attend school and school-related events in an environment free from discriminatory practices, including sexual and other forms of illegal harassment. All will be held to standards of conduct that ensure the school is free from sexual and other forms of illegal harassment such as, but not limited to: race, color, sex, national origin, citizen status, disability or handicap.

Saint Alban Roe Catholic School will neither tolerate sexual harassment, nor will it tolerate reprisals against any employee, student or other person who makes a sexual harassment complaint. Any faculty or other staff member who violates this policy will be subject to disciplinary action, including termination of employment. Any supervisor of faculty member who receives a complaint of sexual harassment and fails to take corrective action pursuant to this policy is also subject to disciplinary action, including termination of employment.

Students are expected to treat all persons, including each other, with respect and dignity. Accordingly, sexually inappropriate behavior directed at faculty, staff, or other students will not be tolerated. Such behavior will result in disciplinary action, up to and including exclusion from school.

Definition of Sexual Harassment - Student Relationships

Sexual harassment refers to sexually inappropriate behavior that is not welcome, that is personally offensive to some, and/or fails to respect the rights of others. Harassment can be either conduct or communication. Accordingly, sexually inappropriate behavior means inappropriate touching, gestures, and language of a sexual nature directed at faculty, staff or other students. Sexual harassment also includes conduct or communication that has the purpose or effect of substantially interfering with another student's education, or creating an intimidating, hostile or offensive educational environment.

Examples of Sexual Harassment:

- sexual innuendoes
- jokes of a sexual nature
- sexual propositions
- sexually suggestive pictures or cartoons
- foul and obscene language, jokes or gestures
- unwanted and unnecessary physical contact
- unwelcome comments about appearance

Reporting Sexual Harassment

The school will delegate a person to answer questions and disseminate information about the policy, investigate complaints and take appropriate corrective action. Any faculty or staff member, student, or other person in a working relationship with Saint Alban Roe Catholic School, who feels that he or she has been a victim of sexual or other forms of illegal harassment, should bring the matter to the immediate attention of the Principal.

The school will investigate all complaints of harassment in as prompt and confidential a manner as possible and will take appropriate corrective action when warranted. Any faculty, staff member, student or other person in a working relationship with Saint Alban Roe Catholic School, who is determined to have engaged in harassment in violation of this policy, will be subject to appropriate disciplinary action, up to and including termination of employment or

exclusion from school.

Retaliation in any form against a person who exercises his or her right to make a complaint under this policy is strictly prohibited, and will result in appropriate disciplinary action, up to and including termination of employment or exclusion from school.

Saint Alban Roe Catholic School provides training for its faculty and staff in the area of recognizing and dealing with issues of sexual harassment. In addition, our school abides by the regulations regarding in-service and paperwork as required by the Archdiocese of St. Louis.

Weapons

Students are prohibited from bringing weapons to school and school-sponsored activities, or having weapons in school or at school-sponsored activities, on the school premises, or in the immediate vicinity of the school.

State law requires the reporting of possession of a "dangerous weapon" to the local law enforcement agency. "Dangerous weapon" includes a firearm, dagger, dirk, and stiletto knife with a blade over 3 inches long, pocket-knife opened by mechanical device, iron bar or brass knuckles.

Definitions

- A weapon is any object which can be used to threaten or injure another. It includes, but is not limited to, "dangerous weapon" as defined by the state law.
- School premises include the school building and the adjacent grounds, including but not limited to parking lot, playground and athletic fields.
- Immediate vicinity of the school means a block radius of the school.

Any student discovered to be, or suspected of, carrying, possessing, concealing, or transferring a weapon on school premises or in the immediate vicinity of the school shall be immediately excluded from classes pending investigation.

A search can be conducted to verify the suspicion or clarify the discovery. It may include without prior warning an inspection and search of a student's person, pockets (the student empties his/her own pockets), book bags, purse, etc.

Questioning of the same purpose may include questioning by the Principal, a member of the administrative team, a school teacher, the Pastor, or a person acting in the place of any of these.

When a body search is conducted, it shall be in the Principal's or Pastor's office or other appropriate place. Another person of the same sex will conduct the search of the student and the search will take place in the presence of another adult of the same sex appointed by the Pastor or Principal.

If a student refuses to cooperate or interferes with a search of a person or possessions or premises, s/he will be warned that refusal to cooperate without legitimate reason will result in disciplinary action, up to and including withdrawal for cause from school.

Depending on the nature of the weapon, the local police department shall be notified immediately. If possible, a student will be detained whenever the school has reason to suspect a student may have a weapon or when a weapon is present on school premises.

Any student found to be in violation of the school's policy is subject to disciplinary action up to and including withdrawal for cause.

The Principal may exercise the option to both keep non-school persons out of the school and/or retain students in the school until police have completed their investigation.

Withdrawal for cause will be imposed on any student determined to have brought a firearm to school for a period of not less than one year. The term "firearm" means:

- any weapon including a starter gun which will or is designed to or may readily be converted to expel a projectile by the action of an explosive;
- the frame or receiver of any such weapons;
- any firearm muffler or firearm silencer; or
- any destructive device.

Violence

Catholic schools shall provide a safe learning environment for all members of the school community. The climate of Catholic schools shall reflect Gospel values including an emphasis on the dignity of all persons which is necessary for respect, the interdependence of all persons that is the basis of community, and the rights and responsibilities of all persons which are the foundation of justice.

Violence is inconsistent with the unity and peace which are essential to living the Catholic faith in community. Violence also inhibits human development and successful learning. Therefore, violence is not tolerated in Catholic schools.

Violence consists of words, gestures, and actions that result in or have the potential to result in

hurt, fear, or injury. Violence includes threats of injury, harassment; assault, possession, and/or use of a weapon; and theft or vandalism of property.

A weapon is anything used or intended to be used to threaten, intimidate, and/or harm persons. The possession or use of firearms, other weapons, or explosive devices on school/parish premises is not permitted.

All reported or observed instances of threatened or actual violence must be addressed by the school administration. Appropriate actions may include parent/guardian conferences, mandatory counseling, suspension, withdrawal for cause, and legal action depending on the severity of the incident. (Archdiocesan policy 4303.3)

Extra-Curricular Activities

Student Ambassadors

Students learn the characteristics of an ambassador—ambition, school pride, good manners and a spirit of service, to name just a few. They can become engaging and credible tour guides, and gracious hosts at school events. They can create positive relationships with parishioners and members of the local community.

Students learn responsibility and a host of skills that transfer to other areas of their social, academic and work lives. In their school uniform, their behavior and the way they speak send a powerful message about the kind of school they attend. They learn to be aware of that responsibility and use it for good.

Athletic Association

An organized sports program is offered by the Saint Alban Roe Athletic Association (“Athletic Association”). The main function of the Athletic Association is to coordinate athletic programs that are provided as a vehicle for recreation and development of the youth of Saint Alban Roe’s parish within an atmosphere of catholic philosophy and good sportsmanship and teamwork. The sports offered include soccer, basketball, and volleyball.

Band

Saint Alban Roe students in Grades 4-7 may participate in this before-school activity. There are two bands: Beginners and Advanced Band. The Beginner Band is open to any Fourth through Eighth grade student who wishes to learn to play an instrument. The Advanced Band is open to any Fifth through Eighth Grade student who has prior experience on his/her instrument. Each

band meets once a week and performs in three concerts each year; two in school and one at the Archdiocesan level. Students in band provide their own instruments. There is a monthly fee for band members.

Bellarmino Speech Club

Students in Grades 5-8 may participate in the speech club offered at Saint Alban Roe Catholic School. The club sends a team to four speech meets during the school year. Students practice under the direction of adult coaches during the school year. Speech Meets take place during the school year.

D.A.R.E.

The D.A.R.E. program is an exciting 10-week program for Fifth Graders designed to familiarize the students with recognizing and resisting the pressures that influence them to experiment with tobacco, alcohol, marijuana, inhalants, or other drugs. Parent/guardian participation is an important part of the D.A.R.E. curriculum. A graduation is held at the conclusion of the program taught by the St. Louis County Police Department.

Scouts

Girl Scouts, Boy Scouts, and Cub Scouts are offered through the Parish organization. Boy Scouts include students in Grades 6-8; Cub Scouts includes students in Grades 1-5; Girl Scouts includes students in Grades K-8. The Scout program emphasizes community service, new experiences, and fun through badge work. Scouting Night is held in the fall of each school year for those who are interested in joining.

Spelling Bee

Scripps National Spelling Bee is locally sponsored by the St. Louis Post Dispatch. St. Alban Roe participates in this annual event and our students compete in January. Grades 4-8 are eligible to participate. Each classroom will hold their own competition in December.

Student Council

Students in Grades 4-7 may be elected to serve a one-year term as a Student Council member. Elected members serve from August to May in Grades 5-8. Eligibility for a student council position will be delivered to each candidate.

Elections are held in the spring of each school year. The Archdiocese of St. Louis; Catholic Education Office for elementary schools sponsors a student council workshop held at the Archdiocesan offices in the fall. Student Council Board Members will participate in the event under the supervision of a faculty advisor.

Yearbook

This activity is currently under the direction of a group of parent volunteers. The purpose of the publication of a yearbook is to capture and print the memories of the school year. Parents have the option to purchase copies before the end of the school year with disbursement of the books in the fall.

This Student/Parent Handbook contains established policies and procedures for the 2016-2017 school year. Since it is not possible for a Handbook to address every situation that may arise during a school year, the school/parish administration reserves the right to amend or revoke the policies and procedures in the Handbook at any time as circumstances may require. When change are made to the Handbook, parents and students will be informed of the change in writing in a timely manner, and this will include a statement about when the change will take effect.
