

**Each year as part of preparation for Confirmation, the student is to participate along with a parent in a service project.**

Service Project – Immersion experience

- ▶ Pick one **non-profit** location to volunteer with at least one of your parents.
- ▶ Work at the **same location** for 20 hours to build a relationship with the people you work with and/or serve.
- ▶ Make a report that includes pictures as well as the answers to the questions below. The pictures can identify the place that you served, some of the work you did and the people you worked with to complete the service. If you had direct contact with people you served, you may take pictures of them **without identifying** them by taking their picture from their back or ask permission to take a picture with their face showing. You are also required to document the dates and times you serve and have your supervisor sign off on your documentation.
- ▶ Answer the following questions in your report.
  1. Explain what you did for your service experience. Did it take you out of your comfort zone? Explain how?
  2. What did you learn about others from your service experience?
  3. What did you learn about yourself and your parent from your service experience?

**If you take pictures of any people or children you serve, you MUST ask for their permission or the permission of the parents.**

**Due: October 1, 2022**
